

Reference Books

These are books that I regularly refer to in my Evidence Based Practice.

- Children's Speech Sound Disorders (Caroline Bowen)
- Cued Articulation (Jane Passy)
- Language Disorders from Infancy through Adolescence (Rhea Paul)
- Bringing Words to Life (Isabel Beck et al)
- Language Interventions for School-Aged Children (Geraldine Wallach)
- Intervention in the Language Arts (Kathryn De Kemel)
- The New Social Story Book (Carol Gray)

I also use peer reviewed Speech Pathology, Autism and learning disability journals and Cochrane Reviews to support my therapy decisions. As a Certified Practising Speech Pathologist I am committed to ongoing professional education.
